

PathoSys® meets the standards set by:  
The Royal College of Pathologists  
*Pathology: the science behind the cure*

## Student Placements

AES Medical offers placements to school students from the surrounding area at its Derby Head office.

Placements vary in length but typically are for one or two weeks. Students are offered a variety of IT based tasks appropriate to their level of knowledge and skill base.

These placements are by prior arrangement only and schools wishing to place students should contact AES Medical via letter (Addressed to the AES Medical Business Manager) or [email](#).
